Experience of the Aircraft Registry

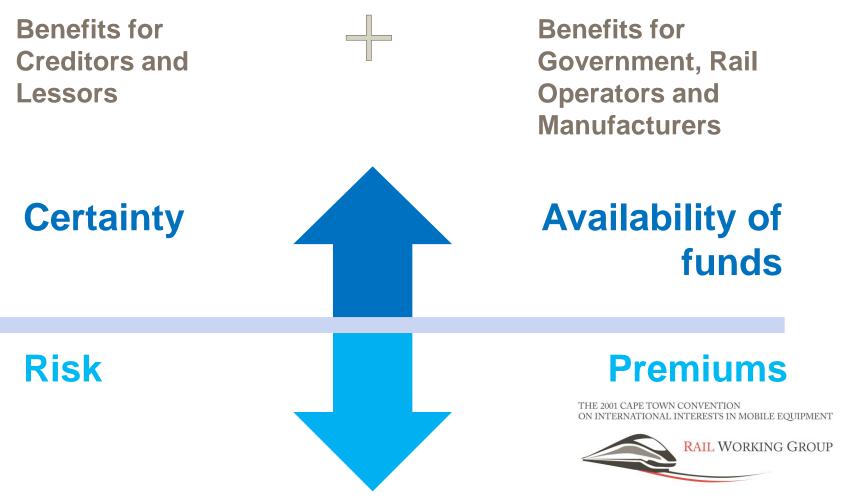

Started in 2006, with 500,000 registrations since, representing an estimated value of over half a trillion USD.

The Aviation Working Group estimates it will save the air transport industry USD 161 Billion USD between 2009 and 2030.

> THE 2001 CAPE TOWN CONVENTION ON INTERNATIONAL INTERESTS IN MOBILE EQUIPMENT

User Enrolment by the Registrar: Transacting Users Entity (TUE) Professional Users Entity (PUE)

Role of the TUE/PUE Administrator

THE 2001 CAPE TOWN CONVENTION ON INTERNATIONAL INTERESTS IN MOBILE EQUIPMENT

Registration (Article 23)

An International Registry shall be established for registrations of:

- (a) international interests, prospective international interests and registrable non-consensual rights and interests;
- (b) assignments and prospective assignments of international interests;
- (c) acquisitions of international interests by legal or contractual subrogations under the applicable law;
- (d) notices of national interests; and
- (e) subordinations of interests referred to in any of the preceding sub-paragraphs.

THE 2001 CAPE TOWN CONVENTION ON INTERNATIONAL INTERESTS IN MOBILE EQUIPMENT

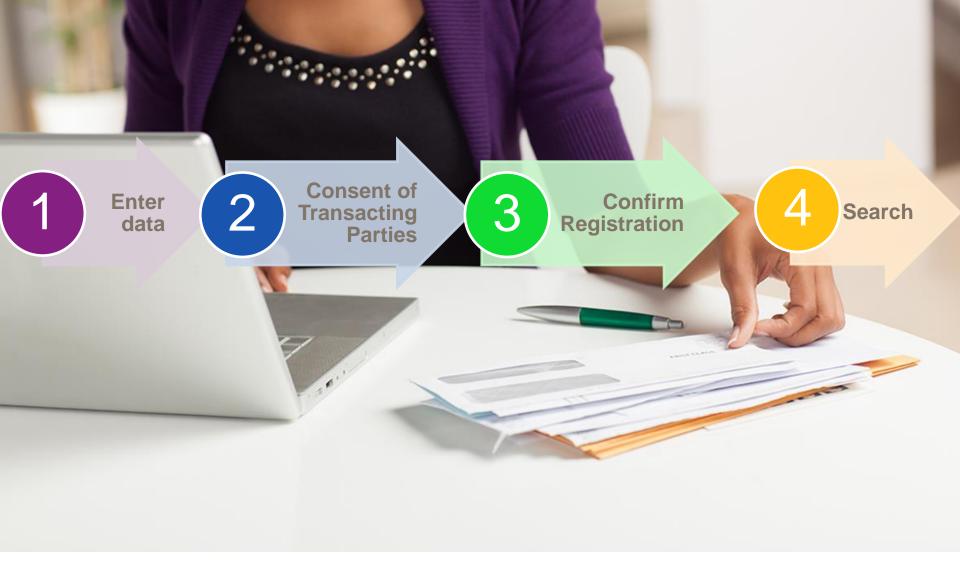

The regulations shall authorise the registration in the International **Registry of notices of sale of railway** rolling stock. The provisions of this Chapter and of Chapter V of the Convention shall, in so far as relevant, apply to these registrations. However, any such registration and any search made or certificate issued in respect of a notice of sale shall be for the purposes of information only and shall not affect the rights of any person, or have any other effect, under the Convention or this Protocol.
